

Water Park Internal Rules

GENERAL PROVISIONS

1. **Water Park** it is health improvement, leisure and entertainment complex, located at V. Kudirkos Str. 45, Druskininkai, consisting of sauna area, swimming pools and water slides area, as well as other areas.
2. **Water Park operator** (hereinafter referred to as the Operator) is UAB Grand Spa Lietuva (registered address V. Kudirkos Str. 45, Druskininkai, legal entity code 152004570, VAT code LT520045716, registrar is State Enterprise Centre of Registers Alytus Branch).
3. **Visitor** is any person being in Water Park who acquired ticket according to the procedure established by the Operator, received permit or by other means established by the Operator entered the Water Park.
4. These rules establish the Water Park visitors' service (service provision) procedure, mandatory safety, hygiene and other requirements for visitors, the Water Park Operator's and visitors' rights, duties and responsibilities. The Water Park rules are established in order to ensure pleasant rest, good mood in the Water Park for each visitor and avoid misunderstandings, injuries or other incidents.
5. These rules apply to all visitors. Each visitor must follow the requirements set out in these rules.
6. **Each visitor who has entered the Water Park confirms that he got acquainted with the Water Park's internal rules and undertakes to unconditionally follow them.**
7. **Each visitor being inside of the Water Park undertakes to follow rescuers' instructions and, if necessary, to turn to him for help or information.**

GENERAL PART

8. The right to use the Water Park services have persons not younger than 4 years old, taking into account exceptions set out in these rules.
9. Children under 14 years old and disabled persons can enter the Water Park only if accompanied by adult carers.
10. For children's under 14 years old and disabled persons' health and life their accompanying adults are responsible (before buying tickets to the Water Park accompanying persons must sign in the registration book provided by the registrar).
11. Prices for tickets to the Water Park are established by the Operator. Ticket prices are provided at the Water Park cashier's desks and on the website **www.grandspa.lt**
12. Visitors can purchase tickets in cashier's desks located in the Water Park.
Tickets may be temporarily not for sale:
 - 12.1. Due to technical reasons.
 - 12.2. If all individual storage lockers are occupied.
 - 12.3. Due to other unforeseen cases occurred under work.
13. Due to technical reasons, it may be temporarily forbidden to use jacuzzi, water slides, wave pool, saunas, and so on in the Water Park. In that case, the ticket price is not recalculated and the money are not repaid to the visitor. Information about the limitations associated with the services is provided in the Water Park cashier's desks.
14. The Operator has right to ask visitors wishing to purchase a reduced ticket to submit their identity document confirming their age or other document with photo confirming visitor's status or right to a discount (certificate confirming disability, secondary school or higher education student card, etc.)
15. In case of doubt about the age of the visitor, Water Park registrar has the right to require the visitor to submit identity document (passport, secondary school or higher education student card, etc.)
16. Taking into account the visitor's age and other criteria set out in these rules, Water Park registrar issues to each person who acquired ticket or has permit/invitation an individual electronic bracelet.
17. Electronic bracelets are not issued to children under 4 years. For visitors from 4 to 14 years old green electronic bracelets are issued. **For these visitors credit is not provided!** For customers from 14 to 18 years old green bracelets are issued and 30 euro credit is provided. For customers older than 18 years blue bracelets are issued and 100 euro credit is provided. Black bracelets are for employees, they are not provided with credit. Blue bracelets are issued to hotel guests, every day 100 euro credit is provided, at the client's request the credit is included into the hotel room bill. **Issuing of ticket indicates that the visitor is aware about the credit**

provided to him and obligates to pay used credit amount when leaving!

18. **For credit of children from 14 to 18 years old parents are responsible and undertake to pay it!**
19. After the credit has been used, each Water Park visitor can increase the credit at the registrar's workplace by paying either by cash to own account or with credit card the amount which cannot exceed the amount established by the Operator.
20. After receiving the electronic bracelet, the Water Park visitors must enter through the entrance gates by one touching with the bracelet the scanner installed at the gate.
21. If electronic bracelet didn't touch the indicated place, the gate will not allow the visitor to enter the Water Park, also electronic bracelet will not be activated which will not give the visitor right to use services provided by the Water Park and to pay for services provided in the Water Park and (or) items purchased by the visitor for credit.
22. Persons without electronic bracelet are not allowed to enter the Water Park.
23. The electronic bracelet available for the visitor allows him to unlock and lock the individual storage locker located in the dressing room, to purchase services and items. At information terminals the visitors can receive information about time spent in the Water Park, to check number of individual locker, credit balance.
24. The time spent by the visitors in the Water Park starts to be recorded from the moment when the visitor has entered through the gate. Validity of electronic bracelet coincides with the duration of visit in the Water Park specified in the purchased ticket.
25. If the visitor lost electronic bracelet, he is recommended to **immediately** contact any cashier's desk and inform the registrar or any other Operator's employee about that. In any case, the visitor, after informing about lost bracelet, is not exempted from the liability to pay fixed fine amount (100 euro). The visitor who lost the bracelet assumes responsibility for the fact that other visitor who will find the bracelet may use it, for example, to open individual storage locker or for the account of the visitor who lost the bracelet to purchase items and (or) services in the Water Park.
26. After leaving the Water Park the visitor must check out at cashier's desk. At that time, exact time spent by the Visitor in the Water Park and the visitor's payable amount for additional services provided in the Water Park and (or) his purchased items is established.
27. According to prices set out in the Water Park price list for additionally spent time in the Water Park (the time for which it was not paid when purchasing electronic bracelet) or delay (the time recorded after the end of working time of the Water Park) or additional services purchased inside of the Water Park, the additional amount is automatically calculated which the visitor is obliged to pay at exit cashier's desk or it is included into the visitor's hotel bill.
28. If the visitor hasn't check out according to established procedure, he is not allowed leave the territory of the Water Park.
29. If the visitor wishes to enter the Water Park again, he must buy a new ticket.
30. Provisions set out in paragraph 30 of these rules are not applied, if the visitor is forced to get out of the Water Park through special exit (for example, in case of evacuation). In this case, electronic bracelet is given to accompanying personnel or registrar.
31. If the visitor left the Park earlier, i.e. hasn't used all his time, the money is not repaid to the visitor.
32. If the visitor doesn't pay for additional time spent in the Water Park and (or) additional services, the money is collected from him according to the procedure set out in the law of the Republic of Lithuania.
33. If the visitors need clarification regarding the use of electronic bracelet, they should apply to any employee of the Water Park.
34. For safety reasons the visitors are video recorded in the Water Park, without breaching the requirements of personal data protection legislation valid in the Republic of Lithuania.
35. The visitors must leave outerwear in the dressing room. Employee of the dressing room is responsible for outerwear, but is not responsible for personal items left in the clothes pockets.
36. After entering through the gate, the visitors must put overshoes on their footwear, wear them, and take off them only after leaving through the gate of Water Park. It is allowed to take off footwear, after passing through the gate, and take on slippers. Footwear put into the bags specially intended for them shall be kept in individual storage locker.
37. The visitors who purchased water area and (or) sauna area services must have bathing suit and towel.
38. For persons being inside of the Water Park it is recommended to have slippers which are suitable for humid environment, if persons don't have slippers, they can purchase them in the shop located in the lobby. The Water
